which does not seem to be any better than which does not seem to be any  
for some time past the last I know of Tin for some time past the  
Welle was when I left the wagons at Conium Welle was when I left the  
he was not entirely well at that time but he was not entirely well at  
not worse than myself and would have been not worse than myself  
with us but for his horse not being able to stand with us but for the  
the tribe the Westmore County boys generally the tribe the  
are in good health except Dr. Moore who is in good health
